NORDIC SOIL RESILIENCE

100 years of biodynamic preparations in the north

Biodynamic preparations were first used in Finland in 1927. To mark this 2027 anniversary, we are joined by world-leading experts: **Vincent Masson** and **Jürgen Fritz** will be leading workshops and lectures at the Nordic Preparation Festival from **July 9th to 11th, 2027**, at Lehtosarvi Farm, Finland.
